What IS the Nebraska Wind Symphony?

In September, 1977, Darwyn “Tony” Snyder, right, organized a group of 70 adult volunteer musicians and the Nebraska Wind Symphony, Omaha’s Community Concert Band, was born. Tony and others had long recognized the need for a performance outlet for those who had spent years in high school and college band programs and would enjoy and support an organized group with which to play. We celebrate the vision of these founding members whose foresight resulted in establishing the Nebraska Wind Symphony! Follow us on our website, Facebook, Instagram and YouTube!
