

Holiday Concert 2024 - Donors

We gratefully acknowledge the financial support of our fans, playing members, and community. The cost of each NWS concert is around \$4,500. Financial gifts are critical to enable us to continue providing great concert band music to the Omaha area. Visit the NWS Donor Information page using the QR code for more information about the ways you can provide financial support including purchasing program advertisements, sponsoring a concert or portion of a concert, and giving a direct donation. This donor listing reflects financial support received since April 2024.

The concerts this season are partially funded by a generous donation from Fran and Mickey Coren.
