

Who We Are

The Nebraska Wind Symphony (NWS) is a volunteer adult community band of over 70 adults from a wide variety of vocational backgrounds. The NWS annually presents an indoor concert series and summer concerts in a variety of venues providing family-friendly entertainment to the greater Omaha area.

Printed Program Advertising

As a nonprofit performing arts organization, NWS relies on a number of different forms of financial support to ensure our success. Please consider supporting NWS by purchasing an advertisement in our concert series programs. Advertising donations help defray the cost of printing and other marketing materials. This frees up other funds to help us purchase music and support other aspects of running a non-profit organization.

Advertising Layout and Copy

Program pages are folded legal size; 8.5 inches tall and 7 inches wide (see order sheet for specific sizes). Programs are printed in black and white.

You provide the camera-ready, black and white/grayscale advertisement. Or we can design an ad for you using your logo and the text or general idea of what you want to say. We'll prepare an ad for your approval.
